Important Notice: When making payment or enrolling in automatic payment plan, please refer to your 'Account Status' balance for real-time amount due. Your statement can be used as a reference; however it is a 'snapshot in time' and may not reflect your real time balance, especially if you have loans. Click on View Accounts then click on Account Status for current balance.

- Select the radio button for the appropriate semester and click “Sign up for New Payment Plan”.

A screenshot of the Nelnet Business Solutions website's 'Payment Plans' page. The page has a black header with a user profile icon and a share icon. On the left is a dark grey sidebar with a menu containing: Message Board, Payment Profiles, Authorize Payers, User Preferences, View & Pay Accounts, Transaction History, Payment Plan (highlighted), and Messages. The main content area is titled 'Payment Plans' and includes a sub-header 'Nelnet Campus Commerce may be able to provide you with the opportunity to budget your payments over time.' Below this is a section for 'Advantages' with three bullet points: 'Low, one-time enrollment fee for each Payment Plan', 'Budget payments into smaller, monthly installments', and 'Automatically debit your account each month'. There are two sections: 'Available Payment Plans' with instructions to select a plan and click the 'Sign Up for New Payment Plan' button, and 'Active Payment Plans' with instructions to click the agreement id link. A dark grey box titled 'Available Payment Plans' contains a radio button selected for 'Spring 2020 (\$35.00 Non Refundable Enrollment Fee) (50% Down Payment May Be Required)'. Below this is a blue button labeled 'Sign Up for New Payment Plan', which is pointed to by a large orange arrow.

- Then follow the steps to activate your payment plan. Credit Card or Checking/Savings account information will be required to set up the automatic payments.
